To give back to children in our community and to help provide them with leadership opportunities. We are commited to providing a long lasting scholarship program and an annual fun outdoor experience at Youth Leadership Camps Canada for young people that will enable them to reach their full leadership potential.

Each year two young people, in grades 2-12, will be awarded a session at YLCC with transportation to and from camp. A post-secondary bound student will receive a leadership scholarship.

Applications can be submitted online at www.ylcc.com.

Christopher William Robbins, 1991-2008

Although Chris' life was very short, his spirit impacted many people. Chris was a vibrant young man and truly lived his life to the fullest. He was very athletic, competing in both cross country and swimming for his school, St. Benedicts Catholic Secondary School. He was a friend, a leader, a motivator, and always believed that if you want something bad enough, you can do it. He inspired many young people to reach further or push harder.

In his last year at St. Benedicts he wrote an essay about a spiritual moment in his life. Chris chose to relate his experience at Youth Leadership Camps Canada. It was during an activity in the Navigator Program called "The Hunt" where Chris had a powerful experience. He began to recognize his own potential and to truly embrace the belief, "If you can dream it, you can do it."
